Objective:

A firm commitment to provide the best of my expertise and knowledge in the field of electrical engineering and management. I seek to achieve self-development through advanced professional and academic experiences while contributing to the success and growth of the institution.

Education:

- **Michigan State University (2021)**
  - Electrical Engineering, Ph.D.
  - My specialization is in Power Electronics, Electrical machine, and Renewable energy applications.
- **Michigan State University (2017)**
  - Electrical Engineering, MS
  - My specialization is in Power Electronics and Power Systems.
  - Graduation Date: Fall, 2017
- **Prince Sattam bin Abdulaziz University (2012)**
  - Electrical Engineering, BS

Experience:

- The head of electrical engineering department - College of Engineering – IMSIU – 2023 until now.
- A member of the engineering college council – IMSIU – 2023 until now.
- A member of the council of architecture engineering department – IMSIU – 2022 until now.
- Expert consultant at KLD Tech compony – Dubai, UAE – 2023.
- A member of the higher education program committee – Electrical engineering department – IMSIU – 2022 until now.
- Agreements and Partnerships Officer at the College of Engineering – IMSIU – 2022 until 2023.
- A member of innovative and entrepreneurship community – IMSIU – 2022 until 2023.
- Supervisor of the investment center at Collage of Engineering – IMSIU – 2022 until 2023.
- A member of the Electrical Energy Efficiency Topics Committee for the bachelor's Program in Electrical Engineering – 2021 until now.
- A Trainer certified of Solar system design of electrical engineering.
- Assistance Professor of electrical engineering at Imam Mohammad Ibn Saud University – 2021 until now.

- Researcher at Electric Machines and Power Electronics Research Laboratory, Michigan State University, East Lansing, USA - 2018 until 2021.
- Research assistant at Energy Power Conversion Laboratory, Michigan State University, East Lansing, USA – 2015 until 2017.
- Teaching Assistant at Imam Mohammed Ibn Saud University – 2013 until 2014
- Power Transmission Engineer at Saudi Electrical Company – 2012 until 2013.

Certifications:

- LMI Academic Leadership Development – Leadership Management International – 2024.
- Marketing Analytics and Measurement – Google Company – 2022.
- Six Sigma Principles – Kennesaw State University – 2022.
- Agile Project Management – Google Company – 2022.
- Foundations of Project Management – Google Company – 2022.

***Soft Skills*:**

- Leadership and team management.
- Time management and planning.
- Public speaking and presentation skills.

Programming Languages:

- MATLAB.
- SABER.
- ANSYS.
- MATHCAD.
- PSpice.
- LTSpice.

Research Interests:

- Design renewable energy applications.
- Developing power electronics systems.
- Improving energy efficiency in buildings.
- Applications of electrical machines and drives.
